

Taste of Saint Paul

This year we would like to bring everyone together for an evening of tastes. We are looking for chefs willing to share their ethnic specialties.

The plan is to use the basement and the classrooms to separate the different cultures. What a great time to educate everyone on different parts of the world!

Right now we are looking for people willing to donate their culinary attributes to making small tastes of their favorites.

If we have enough donors, we are scheduling the Taste to be May 20th.

Let's see how many delicious foods we can bring to the table!

Are you interested in having
a night of ethnic tastes?

Do you have a special recipe
you would love to share?
