

The logo features a stylized blue figure with arms raised, resembling a person or a dove, positioned above the number '40'.

# 40 DAYS FOR LIFE<sup>®</sup>

THE BEGINNING OF THE END OF ABORTION.

It's easy to volunteer:

1. Go to <https://www.40daysforlife.com/en/waukegan>
2. Click “Log In / Sign Up”.
3. If this is your first visit, click “Sign Up” to create your log-in – takes about 30 seconds!
4. Click “Sign up for Vigil Hours”. The calendar will show the entire duration of the Fall Campaign, and show the number of volunteers already signed up for specific days.
5. Click on the day for which you wish to volunteer, and the calendar will show the day in 1-hour increments from 6am to 6pm. You can see where volunteers have already signed up.
6. Click on a time slot. Optionally, to make your vigil sign-up a recurring weekly time, check the box. Then click “Submit Hours”. You can change your vigil hours at any time via your free account; please keep your hours up to date on the site, as other volunteers may be counting on your presence to know they have a prayer partner!
7. You can also download the 40 Days for Life app on the Apple or Android store and have your schedule on your phone (along with prayers, readings and devotions in the app).
8. If you have any difficulties signing up for vigil hours via the website or app, you can still volunteer by contacting the vigil coordinator Leslie ([hazfam6@comcast.net](mailto:hazfam6@comcast.net), or call/text: 847-951-1064).
