

Ignite the Future Campaign Prayer

Lord Jesus, thank you for your ultimate sacrifice
that has taken away our sins
and made us righteous in your sight.

We pray that you make your steadfast presence known
both within our own parish community
and throughout the entire Archdiocese of Chicago.

Holy Spirit, thank you for granting us strength
to translate belief into action,
courage to face challenges,
and wisdom to discern your path.

And so, we confidently trust that you will walk with us
as we Ignite the Future: For us. For them. For Him.

Heavenly Father,
Help us to share your love through our support of this effort.
Hear our prayer,
our good intentions,
and use our generosity
to make your love known for generations to come.

We ask this through Christ our Lord, Amen.
