

Dear SPA Family,

I am excited to share that our parish is launching the Ignite the **Future: For Us, For Them, For Him** campaign. This transformational effort aims to raise **\$3 million** for our parish and the Archdiocese of Chicago, while supporting the spiritual renewal of our parishes, clergy, and communities. The campaign will involve all parishes throughout the Archdiocese of Chicago.

The primary focus of our campaign will be:

- Beautifying our Sanctuary, so that all who enter are drawn into reverent worship and prayer,
- Transforming Our West Entrance, ensuring accessibility for all,
- Expanding our Upper Gathering Space, to host celebrations, outreach, and fellowship, and,
- Centralizing Parish Administration, to better serve our growing community and free up space for ministry.

To date, fellow Catholic households have already committed **\$1.97** million to this effort. I would like to thank the members of our Campaign Leadership Team who have stepped forward in faith to help lead Ignite the Future within our parish.

In the coming weeks, our campaign leadership team will be reaching out to share more details about what this means for the future of our parish. Until then, please pray for the campaign's success. Together, we can do our part to strengthen our parish and vital ministries.

Sincerely yours in Christ,

Fr. Chris
